The ICT Education Foundation Scholarship

The ICT Education Foundation is a non-profit 501(c)(3) organization with a mission of promoting careers in the property and casualty insurance industry. Learn more about the ICT Education Foundation at insurancecouncil.org.

Scholarships range from \$500-\$2500. To be considered for an ICT Education Foundation Scholarship, students must:

- Be enrolled in or completed coursework in insurance, risk management, or related courses and/or seeking a degree in the same
- Have an interest in pursuing a career in insurance and risk management
- Demonstrate academic achievement

Other factors considered:

- Property and casualty insurance related internships and/or work experience
- Membership in Gamma Iota Sigma

Why a Career in Insurance?

A career in the insurance industry provides opportunities for growth fulfillment, and success. It's projected that 50% of the insurance workforce will retire by 2028 which means there are ample opportunities and countless career paths.

Giving back to your community, helping others recover from catastrophic situations, learning, growing – it's yours in the insurance industry. Are you enrolled in RMI/Insurance classes? Do you have an interest in pursuing a career in the property and casualty insurance industry?

Apply for the ICT Education Foundation Scholarship.

Application deadline is September 30, 2021
